**Re: Unitil Energy Systems, Inc.
Docket No. DE 23-054; Compliance Tariff**

Dear Clerk:

On behalf of Unitil Energy Systems, Inc. ("UES"), enclosed by electronic filing only is a copy of the following tariff pages, filed in compliance with NHPUC Order No. 26,910 in the above referenced proceeding. These pages are for effect February 1, 2024.

NHPUC No. 3 – Electricity Delivery, Unitil Energy Systems, Inc.

Thirty-Fifth Revised Page 74, Calculation of the Default Service Charge [Non-G1 Class]
Forty-Sixth Revised Page 75, Calculation of the Default Service Charge [G1 Class]

To provide clarification with what has changed on these approved pages, UES hereby resubmits the redline versions of these pages which were previously included in what has been marked as Exhibit 5. Please note, that aside from the required approval designation listed in the bottom section of each of these pages, no other changes have been made compared to what UES included with its initial filing, dated December 1, 2023, in this docket.

In addition to the tariff pages listed above, changes to UES's Summary of Whole House Residential Time Of Use Rates And Electric Vehicle Rates, tariff page 5-A, and Summary of Low-Income Electric Assistance Program Discounts, tariff page 6, are also necessary in order to reflect the approved Default Service Charge for effect February 1, 2024. However, as discussed in the pre-filed testimony of Linda S. McNamara, part of what has been marked as Exhibit 5, tariff pages 5-A and 6 are currently pending for effect January 1, 2024 in DE 23-098, to reflect changes in UES's System Benefits Charge ("SBC") and, therefore, will be filed as part of this docket's compliance process for rates effective February 1, 2024 once an Order in docket DE 23-098 has been issued.
