RE: Interconnection Agreement between TDS Telecom and Integrated Path Communications, LLC

Dear Chair Goldner:

Enclosed for filing is an Interconnection Agreement (the “Agreement”) between TDS Telecommunications LLC (“TDS Telecom”) and Integrated Path Communications, LLC (“IPC”). The Agreement is filed jointly on behalf of TDS Telecom and IPC.

TDS Telecom and IPC jointly request that the New Hampshire Public Utilities Commission (“NHPUC”) approve the Agreement, pursuant to 47 U.S.C. § 252(e).

The Agreement is the result of arms-length negotiations between the two parties, does not discriminate against any other telecommunications carrier, and is consistent with the public interest, convenience and necessity. Approval of the Agreement will increase competition and will likely benefit New Hampshire consumers.

The Agreement is filed in electronic format in accordance with Rule Puc 203.03. In addition, as required by Rule Puc 202.06(b), an original and two (2) paper copies have been sent to the Commission via U.S. mail.

Thank you for your attention to this matter. Please let me know if you have any questions.

Sincerely,

/s/ Paul J. Phillips
