The plan is being submitted for Commission review and approval prior to being submitted to the Town's legislative body for approval as allowed under PUC 2204.01(a). Once the plan has been approved (or rejected) by the legislative body, majority vote at Pittsfield's Town Meeting and final approval by the Select Board, the Town will notify the Commission, Department of Energy, Office of the Consumer Advocate, and the distribution utilities serving Pittsfield, Eversource and NHEC, of such final plan approval or rejection, as required under PUC 2204.01(g).

The Town is providing copies of this plan on the same day as this submission to the Office of the Consumer Advocate, the NH Department of Energy, and the distribution utilities serving Pittsfield.

Pursuant to current Commission policy, this filing is being made electronically only. Please do not hesitate to contact me if you have any questions.

Sincerely,

Cara Marston
