

**STATE OF NEW HAMPSHIRE  
PUBLIC UTILITIES COMMISSION**

**DE 24-055**

**TOWN OF GREENLAND**

**Request for Approval of Greenland Community Power Plan  
Commission Approval of Community Power Aggregation Plan**

**ORDER NO. 27,008**

**May 16, 2024**

In this order, the Commission approves the Town of Greenland's (Greenland or the Town) Community Power Electric Aggregation Plan (Plan).

**I. BACKGROUND**

On April 2, 2024, Greenland submitted a request for approval of a community power aggregation plan to provide electric power supply and services for residents, businesses, and other entities in Greenland pursuant to RSA chapter 53-E. In addition to the request for approval, the Town submitted the proposed Plan with attachments.

On April 3, 2024, the Commission issued an order of notice establishing a deadline for comments on the Plan.

No comments were received.

All docket filings, other than information for which confidential treatment is requested of or granted by the Commission, are posted to the Commission's website at <https://www.puc.nh.gov/Regulatory/Docketbk/2024/24-055.html>.

**II. COMMISSION ANALYSIS**

The Commission has reviewed the Plan pursuant to RSA 53-E:7, II, as amended, which states that

The commission shall approve any plan submitted to it unless it finds that it does not meet the requirements of this chapter and other applicable rules and shall detail in writing addressed to the governing bodies of the municipalities or counties concerned, the specific respects in which the proposed plan substantially fails to meet the requirements of this chapter and applicable rules.

RSA 53-E:7, II, provides specific direction on the process to be used for the submission of such plans, including the following requirements: 1) on the same day the plan is submitted to the Commission, copies shall be provided to the Office of the Consumer Advocate and any electric distribution utility providing service within the jurisdiction of the municipality; 2) the Commission shall accept public comments for 21 days thereafter; and 3) the Commission's review of the plan and comments shall not require a contested case. N.H. Admin R. Puc 2204.01(a) also requires notification of aggregation plan filings be made with the New Hampshire Department of Energy. The Town's submission complied with these procedural requirements.

Based on our review of the Plan, we have determined that the Plan does not substantially fail to meet applicable requirements of RSA chapter 53-E or applicable rules. The Plan contains an adequate level of detail of RSA 53-E:6's statutory criteria, other applicable statutory requirements, and applicable rules including Puc ch. 2200.

**Based upon the foregoing, it is hereby determined** that the Town of Greenland's Request for Plan Approval is GRANTED.

By order of the Public Utilities Commission of New Hampshire this sixteenth day of May, 2024.
