**Re: Docket No. DT 01-006; Northern New England Telephone Operations LLC d/b/a FairPoint Communications – NNE Performance Assurance Plan**

Dear Ms. Howland:

Northern New England Telephone Operations LLC d/b/a FairPoint Communications – NNE (“FairPoint Communications”) hereby files an original and two (2) disc copies of the September 2012 reports under the Performance Assurance Plan (“PAP”). The reports provide the preliminary and final credits calculated for September performance, and are marked as such. As described in the PAP, final credits owed for the September performance month are subject to adjustment based upon the previous two months’ performance.

Separate proprietary versions of the preliminary and final September 2012 PAP reports containing carrier-specific performance and bill credit calculations (which are used to allocate the credits among eligible CLECs) are being filed with the New Hampshire Public Utilities Commission and the Office of Consumer Advocate under separate cover.

This report is being filed one day past the required filing time due to a rescheduling of commercial overnight mail delivery as a result of Hurricane Sandy.

Please contact me should you have any questions.

Sincerely,

Ryan P. Taylor
