**Re: Northern New England Telephone Operations LLC d/b/a FairPoint Communications - NNE ("FairPoint"), Performance Assurance Plan.**

Dear Ms. Howland:

Enclosed are an original and two (2) disc copies of FairPoint Communications – NNE November 2009 Reports under the Performance Assurance Plan ("PAP").

The Reports provide the preliminary and final credits calculated for November 2009 performance. As described in the PAP, final credits owed for the March performance month are subject to adjustment based on the previous two months' performance.

Separate proprietary versions of the preliminary and final November 2009 PAP Reports containing carrier-specific performance and bill credit calculations (which are used to allocate the credits among eligible CLECs) are being filed with the Commission and OCA under separate cover.

FairPoint reserves its right to argue that the proceedings requiring this report are stayed or should be stayed and to seek appropriate relief with the Bankruptcy Court.

Please feel free to contact me if you have any questions.

Very truly yours,
