**Re: Freedom Ring Communications, LLC d/b/a BayRing Communications
Complaint Against Verizon New Hampshire Re: Access Charges
DT 06-067**

Dear Ms. Howland:

Pursuant to the procedures established during the technical session held yesterday in the above-referenced proceeding, Global Crossing Telecommunications, Inc. ("Global Crossing") is submitting the enclosed spreadsheet containing a preliminary estimate, with supporting data, of Global Crossing's damages resulting from the improper assessment of carrier common line charges by Verizon from April 2004 through March 2008. The spreadsheet contains month-by-month calculations showing the difference between carrier common line minutes billed and local switching minutes billed, multiplied by the carrier common line rate of \$.026494 per minute.

Global Crossing hereby requests that the enclosed document receive confidential treatment pursuant to RSA 378:43. The information contained in the document is not general public knowledge or published elsewhere, is subject to measures that prevent its dissemination in the ordinary course of business, and it pertains to the provision of competitive services. Global Crossing is therefore, pursuant to the procedures discussed during the technical session yesterday, submitting the enclosed document to you on paper to be held in confidence and to the Staff and counsel for Verizon by email to be held in confidence. A copy of this letter without the
