**Re:** BayRing Petition For Investigation Into Verizon New Hampshire's Practice Of Imposing Access Charges, Including Carrier Common Line (CCL) Access Charges, On and Terminate On Wireless and Other Non-Verizon Carriers' Networks Calls Which Originate On BayRing's Network - DT 06-067 - **REQUEST FOR STAFF ASSISTANCE IN MEDIATION**

Dear Ms. Howland:

This letter is filed on behalf of Qwest Communications Company, LLC ("Qwest"), which is an intervenor in this docket as filed for intervention in this docket. Seven (7) additional copies of this letter are enclosed. Also enclosed is an extra copy along with a self-addressed stamped envelope. Please file stamp that copy and return to our office.

This letter is to request Staff's assistance in mediating a settlement with Verizon regarding this matter. While meetings for such assistance were scheduled for other carriers, Qwest did not have one scheduled. Although Verizon and Qwest agreed on the calculations that were submitted to the Commission under cover letter from Verizon dated February 20, 2009, Verizon and Qwest have been unable to agree on a settlement of accounts based upon that calculation. Thus, Qwest hereby requests the Staff's assistance.

Qwest will work with Verizon to reconcile the CCL charges billed and payments received by Verizon in March 2008 pursuant to the February 19, 2009 Staff Report on the Procedural Schedule.

Sincerely,
