**Re: Freedom Ring Communications, LLC d/b/a BayRing Communications  
Complaint Against Verizon New Hampshire Re: Access Charges, Phase  
II - DT 06-067**

Dear Ms. Howland:

As a follow-up to the schedule established during the technical session held on November 5, 2008, XO Communications, Inc. ("XO Communications") submits the enclosed spreadsheet containing a preliminary estimate of XO Communications' damages resulting from the improper assessment of carrier common line ("CCL") charges by Verizon and FairPoint from April 2004 through June 2008.

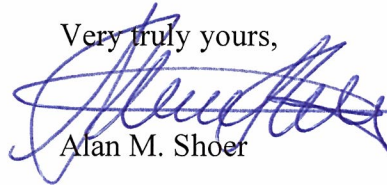

XO Communications hereby requests that the enclosed document receive confidential treatment pursuant to RSA 378:43. The information contained in the document is not general public knowledge or published elsewhere, is subject to measures that prevent its dissemination in the ordinary course of business, and it pertains to the provision of competitive services. XO Communication submits this document pursuant to the procedures discussed during the technical session on November 5, 2008. XO Communications requests that the enclosed document be held in confidence by Staff and counsel for Verizon and counsel for FairPoint. A copy of this letter without the enclosure is being served electronically on all parties on the service list in this proceeding.
