Re: DT 06-067, Freedom Ring Communications d/b/a BayRing Communications
Complaint Against Verizon New Hampshire Regarding Access Charges
Sprint Communications Company, L.P. and Sprint Spectrum, L.P.
Petition to Intervene

Dear Ms. Goins:

On January 5, 2007, you filed on behalf of Sprint Communications Company, L.P. and Sprint Spectrum, L.P. (collectively, "Sprint Nextel") a petition to intervene in the above referenced proceeding. You recite Sprint Nextel's interest in the proceeding as a provider of wireline and wireless service in New Hampshire. You state that subsequent to the November 29, 2006 procedural order entered in this docket, the company performed a detailed audit of Verizon New Hampshire invoices billed to Sprint Nextel and determined that it, too, would be impacted by the outcome of this proceeding. No objections to the request for intervention have been filed.

The Commission has determined that allowing the intervention of Sprint Nextel would be in the interests of justice and would not impair the orderly and prompt conduct of the proceeding. The Commission has set April 20, 2007 as the deadline for Sprint Nextel to submit a calculation of the estimated financial impact of the disputed charges as provided in Order No. 24,705, if it intends to do so.

Sincerely,

A handwritten signature in cursive script, appearing to read "Debra A. Howland".
