RE: DE 08-011; Revised Direct Testimony and Schedules of John D. Warshaw

Dear Ms. Howland:

On behalf of Granite State Electric Company d/b/a National Grid ("National Grid" or "Company"), I am submitting seven copies of the revised direct testimony and schedules of John D. Warshaw in the above-captioned docket. The Company discovered an error in calculating the retail default service rates for the Small Customer Group in Schedule JDW-10. Specifically, the Company did not use the correct default service cost reclassification adjustment factor of \$0.00116 per kWh. This error flowed through to pages 12 and 13 of Mr. Warshaw's testimony as well as Schedule JDW-11, Typical Bill Impacts, and Schedule JDW-12, Proposed Summary of Rates. The Company is also providing a separate revised confidential version of Schedule JDW-10 pursuant to the motion for confidential treatment filed with the Commission on September 22, 2008. We apologize for any inconvenience these errors may have caused.

Thank you very much for your time and attention to this filing. If you have any questions, please feel free to contact me at (781) 907-1849.

Very truly yours,

Alexandra E. Blackmore
