Re: DT 08-018, Verizon New Hampshire
Special Contract with New Hampshire Department of Transportation for 511 Dialing Services

Dear Mr. Nestor:

On February 7, 2008, Verizon New Hampshire (Verizon) filed an amendment that extends a special contract to provide the New Hampshire Department of Transportation with 511 Dialing Services for a period of 36 months. In support of the filing, Verizon submitted records and information, including contract terms and conditions, for which it requested confidential treatment pursuant to RSA 378:43.

Staff has reviewed the documentation filed in support of the special contract and recommended that it be allowed to go into effect. According to Staff, the contract rate meets the price floor requirements of RSA 378:18-b, II.

For administrative efficiency, the Commission will not issue an order suspending, rejecting, or approving the proposed special contract extension. Accordingly, pursuant to RSA 378:18-b, II(a), the proposed contract extension between Verizon and the New Hampshire Department of Transportation is effective as of March 8, 2008.

Sincerely,

A handwritten signature in cursive script, appearing to read "Debra A. Howland".
