7. Information in response to PUC 2003.01(d): Attachment A to this Supplemental Attachment contains certifications of satisfactory completion of EDI system testing with Unitil Energy Systems and Public Service of New Hampshire. Such certification from National Grid has been previously provided as part of Applicant's originally submitted application. Applicant has requested a further statement from each of the foregoing three electric distribution companies confirming in substance that Applicant has complied with its respective EDI training and testing requirements and that Applicant has successfully demonstrated electronic transaction capability. Applicant respectfully requests that the Public Utilities Commission waive any requirement to submit such additional statements as part of Applicant's application, and Applicant will submit such statements to the Public Utilities Commission when received by Applicant.
8. Notifications required by PUC 2003.01 (1): Attachment B to this Supplemental Attachment contains Applicant's notifications to National Grid, Unitil Energy Systems and Public Service of New Hampshire that Applicant has filed an Application For Registration as a Competitive Electric Power Supplier in New Hampshire.

Dear Toni:

Thank you for your interest in becoming a supplier in New Hampshire and providing this service to our PSNH customers.

PSNH and Gexa Energy New Hampshire, LLC have successfully completed EDI Testing. I have enclosed a Certificate of Completion for your files.

As soon as Gexa Energy New Hampshire, LLC is granted certification by the New Hampshire PUC, you will be ready to contract with PSNH customers.

Thanks once again, Toni, for your interest, and I look forward to working with you in the future.

Sincerely,

Aaron Downing
