RE: Gross Receipts Statement of Gexa Energy New Hampshire L.L.C. Pursuant to N.H. Code Admin. Rules Chapter PUC 2000, Part 2003.01(e)

Dear Mr. Bergeron,

Part 2003.01(e) of the New Hampshire Code Admin. Rules Chapter PUC 2000, requires suppliers to annually adjust the security amount when it is based on gross receipts, and excluding revenues from the provision of transition and default service. Gexa Energy's gross receipts in New Hampshire for 2008 were \$0, thus the guaranty amount for the security should remain unchanged.

Should you have any questions or need any further information, please do not hesitate to contact me by phone at (713) 401-5723 or by e-mail at rosemary.troxle@gexaenergy.com.
