Re: DT 08-138, Fairpoint Communications - NNE
Special Contract with Capital Region Health Care for Direct Inward Dialing
Number Blocks

Dear Mr. Shea:

On November 3, 2008, Fairpoint Communications - NNE (Fairpoint) filed a special contract that allows Capital Region Health Care to add Direct Inward Dialing number blocks anytime during the first 18 months of the 36 month contract. In support of the filing, Fairpoint submitted records and information, including contract terms and conditions, for which it requested confidential treatment pursuant to RSA 378:43.

Staff has reviewed the documentation filed in support of the special contract and recommended that it be allowed to go into effect. According to Staff, the contract rate meets the price floor requirements of RSA 378:18-b, II.

For administrative efficiency, the Commission will not issue an order suspending, rejecting, or approving the proposed special contract. Accordingly, pursuant to RSA 378:18-b, II(a), the proposed contract between Fairpoint and Capital Region Health Care is effective as of December 3, 2008.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra A. Howland".
