Re: DG 09-049 – EnergyNorth Natural Gas, Inc. d/b/a National Grid NH Energy Efficiency Plan

Dear Ms. Howland:

On behalf of EnergyNorth Natural Gas, Inc., d/b/a National Grid NH, I am writing to inform the Commission pursuant to Section II(E)(2) of the Settlement Agreement approved by Order 24,995 that National Grid NH will be carrying forward funds from its 2009 gas energy efficiency budget to its 2010 program year.

Specifically, National Grid NH will be carrying forward from its 2009 Residential budget \$249,007. The Company will keep these funds within the Residential sector, allocating \$44,352 for the Energy Audit and Home Performance program and \$204,655 to its Residential Weatherization program. It is important that these funds be carried forward because the Energy Audit and Home Performance program has already expended all of its funds budgeted for 2010, and the Residential Weatherization program 2010 budget will otherwise be exhausted in early September. The Company also had \$82,248 remaining from its 2009 Commercial and Industrial budget and will also carry forward \$41,124 for each of its Multifamily and Commercial & Industrial Heating Programs. The Company will not be seeking performance incentives on those funds that are carried forward to 2010.
