Revised Incentive Application Form

Dear Ms. Howland:

On May 18, 2009, Staff filed a report of a May 15<sup>th</sup> technical session held in the above-captioned docket. In that report, Staff indicated that we would revise the incentive application form for installed facilities consistent with the recommendations of parties at the technical session.

Attached you will find a copy of the revised incentive application form for facilities installed between July 1, 2008 and August 31, 2009. The application form and processing of such applications is the subject of a May 26, 2009 public hearing before the Commission.

I certify that an electronic copy of this letter and the attachment will be provided to all parties on the service list contemporaneous with the filing of this letter with the Commission.

Thank you for your attention to this matter. Staff will be available to respond to your questions at the public hearing.

Sincerely,

A handwritten signature in dark ink, appearing to read "Suzanne G. Amidon".
