Re: DE 09-067, Clean Power Development, LLC
Complaint Against Public Service Company of New Hampshire
Memorandum of Law

To the Parties:

By Secretarial letter dated May 7, 2010, the Commission granted Clean Power Development's ("CPD") request to file supplemental memorandum of law in light of FERC Order, 131 FERC ¶ 61,027, in the above referenced matter. The Commission established May 19, 2010 as the deadline for all parties to submit supplemental memorandum of law relating to issues raised by the FERC decision. On May 12, 2010, PSNH requested that the filing date be delayed as the company intended to file a request for rehearing of the FERC Order. By Secretarial letter dated May 17, 2010, the Commission suspended the filing deadline.

On June 14, 2010, PSNH apprised the Commission of the fact that its request for rehearing had been granted by the FERC on June 11, 2010. Inasmuch as there has been no further action by the FERC on this matter since the June 11th order granting rehearing, the Commission has established September 20, 2010 as the deadline for filing the above referenced memorandum of law.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland/acl".
