Re: DM 09-120 Notification of MRDB Holdings LP's Intent to Renew Its Registration as a
Provider of Electric Aggregation Service

Dear Ms. Kontoh:

This is to confirm that, on July 1, 2009, the New Hampshire Public Utilities Commission (Commission) received MRDB Holdings LP's (MRDB) notice of intent to renew its registration as a provider of electric aggregation service in New Hampshire pursuant to Puc 2003.02. Staff has reviewed the application provided and believes that it meets the requirements of Puc 2003.02. Based on Staff's recommendation and the Commission's review, the Commission approves MRDB's application to renew its registration as a provider of electric aggregation service in New Hampshire.

Please note the following provision of Puc 2003.02 (f): "[E]ach aggregator shall re-file with the commission an up-to-date written notice of intent to provide service as an aggregator every 2 years on or before its original notice anniversary date." MRDB's original notice anniversary date is July 20, 2007 and therefore it is required to re-file an up-to-date written notice on or before **July 20, 2011** if it continues to offer and provide electric aggregation service. In addition, MRDB is subject to the provisions of Puc 2004.03, telephone solicitation of customers, and Puc 2004.07, customer protections provided by aggregators.

If you have any questions regarding these provisions, please contact the Commission.
Thank you for your cooperation in this matter.

Very truly yours,
