**SUBJECT:** DT 09-173 FairPoint Communications – NNE Service Package Tariff Revision

**TO:** Debra Howland, Executive Director

On September 17, 2009 Northern New England Telephone Operations LLC d/b/a FairPoint Communications – NNE (FairPoint) submitted a tariff filing to revise the Service Packages- Regional Essentials and Regional Value. The purpose of the revision is to remove the option to have an additional line qualify for the discount in both packages. It is also to remove the associated line charge in the rate list, and lastly to change the name on the Tariff from Verizon to FairPoint. Staff recommends allowing the change to go into effect by operation of law.
