Re: DW 09-267 Lamplighter Mobile Home Park
Investigation to Determine if it is a Public Utility

Dear Ms. Howland:

In speaking with Attorney Thunberg earlier today, she advised me that the exhibits circulated by e-mail were not included with the original and copies of the Respondent's November 29, 2010 brief filed with the Commission. Accordingly, as an amendment to that earlier filing I enclosed for filing one (1) original and seven (7) copies of the Exhibits to Lamplighter Mobile Home Park, LP's Brief in Support of Motion to Dismiss Request for Determination and Service List.

I also enclose copies of correspondence sent to the Conway Village Fire District on December 16, 2010, and a response dated December 23, 2010. These are provided in supplement to the enclosed exhibits to provide all parties and the Commission with the current status of negotiations regarding the conversion of the water billing to the Conway Village Fire District.

Should you have any questions, please do not hesitate to contact my office.

Sincerely yours,

A handwritten signature in black ink, appearing to read "AGZ".
