RE: Docket DE09-284 – Class II Certification on behalf of homeowners

The home with the customer-sited rooftop photovoltaic facilities certified in the above reference docket has been transferred to a new owner / electric account holder effective November 29, 2010. The new owner is Mr. James R Ballou. No other information contained in the original application has changed.

Puc 2505.12 requires notifications such as this to be made within 10 days. New Hampshire Electric Cooperative, Inc. requests a waiver of this rule such that the Commission will accept this letter as sufficient notification.
