Re: DT10-010, REVISED Petition of Freedom Ring d/b/a BayRing Communications to construct and maintain utility cable over and across the Public Waters of the Merrimack River between Utility Pole CECO 51 and Utility Pole CECO 50, Concord, New Hampshire.

Dear Ms Howland:

Delivered in hand, please find enclosed the original and six copies of revision 1 of Petition DT10-010; Freedom Ring Communications d/b/a/BayRing Communications to construct and maintain utility cable over and across the Public Waters of the Merrimack River between Utility Pole CECO 51 and Utility Pole CECO 50, Concord, New Hampshire. Also, enclosed is a revised CD containing an electronic version of this revised petition.

Changes made to this docket include:

Bullet numbers 5, 6, and 7.

The Existing Overhead River Crossing plan

The addition of a support letter from CEG engineering and the Pole Load Analysis Report.

Thank you for your assistance in this matter, please do not hesitate to contact me with any questions or further requirements.

Respectfully Submitted,

A handwritten signature in cursive script, appearing to read "Wendy C. Wilusz".
