***Re: DT 10-010, Request for Extension***

Dear Ms. Howland:

I write on behalf of Comcast in the above-captioned matter. Commission Order No. 25,139 required Comcast to file a License Petition pursuant to RSA 371:14 within 10 business days of the August 17, 2010 Order. Because Comcast was not a formal party to this docket it appears that Comcast was not served with the final Commission Order, and for that reason requests an extension of the date by which to file the Petition.

Comcast has worked cooperatively with the Commission Staff and BayRing throughout this process, and is in the process of compiling the necessary documentation. Comcast expects to file a completed Petition shortly, and respectfully requests an extension of the date by which to file the Petition to September 10, 2010.

Please do not hesitate to contact me directly with any questions at 978-927-5700 ext 4337. A hard copy of this letter will follow by mail to your attention.

Very truly yours,

Stacey L. Parker
