Re: DT 10-025 FairPoint Communications Reorganization

Subject: Petition to Intervene of segTEL, Inc.

Dear Ms. Howland:

This letter is the petition of segTEL, Inc., to intervene in the above-named docket pursuant to NH Code of Administrative Rules, Puc 203.17.

segTEL is a competitive local exchange provider in New Hampshire, and in that role obtains wholesale services from FairPoint. segTEL's ability to serve its customers is directly affected by the nondiscriminatory and competitively neutral services made available by FairPoint, and how those services may be affected by this proceeding. Because the nature of the services segTEL relies on from FairPoint are unique to segTEL, no other CLEC can adequately represent segTEL's interests.

For all the foregoing reasons, segTEL requests to intervene in this proceeding.

Please add Jeremy Katz and me to the service list for this docket; jeremy@segTEL.com and kath@segTEL.com. This notice is being supplied via email with hard copy to follow by US Mail.

Sincerely,

A handwritten signature in cursive script, appearing to read "Kath Mullholand".
