**Re: DG 10-041; EnergyNorth Natural Gas, Inc. d/b/a National Grid NH
Integrated Resource Plan**

Dear Ms. Howland:

At the hearing held on July 14, 2011 in the above-referenced docket, I provided the Clerk with a hard copy of National Grid NH's Integrated Resource Plan ("IRP"), which was marked as Exhibit 1. That document was the same as National Grid NH's original IRP which was filed on March 1, 2010 (with a cover letter dated February 26, 2010), except that the revised pages that were filed with the Commission on August 18, 2010 were inserted to replace the corresponding pages of the original document. At the close of the hearing, the Clerk asked that I provide an electronic copy of Exhibit 1. The electronic copy is being provided with the email version of this letter. The hard copy of this letter, which is being provided for your file, does not include a copy of Exhibit 1.

Please do not hesitate to contact me with any questions.

Sincerely,

Steven V. Camerino
