Dear Ms. Howland:

I am responding to the deficiencies identified in Mr. Iqbal's correspondence:

1. Puc 2003.02 (c) (4) requires a toll free telephone number of the customer service contact person. You provided a phone number (603-382-0985) which does not seem to be a toll free number
2. Puc 2003.02 (c) (7) requires a listing of any supplier interest the aggregator intends to represent. Although you mentioned that you represent a number of supplier interest, but you did not provide the list of the suppliers.

The toll free number for the customer service contact is 888 486 5174. In addition I represent the following suppliers: Hess Energy, Halifax American Energy, Glacial Energy, Gexa Energy and Integrys Energy.

I hope this meets your expectation and I look forward in having my application accepted.

Sincerely,

Tad A. Dziemian
