Ms. Debra Howland
 Executive Director and Secretary
 State of New Hampshire Public Utility Commission
 21 South Fruit Street Suite 10
 Concord, NH 03301

Dear Ms. Debra Howland;

This letter is to inform you that I applied and received an electric aggregation license in May 2010 under the trade name of White Columns Office Solutions of New England. In September 2010, I change the status from a sole proprietor to a limited liability corporation or LLC. The name is the same except that it now includes the LLC at the end of it.

I understand through a correspondence with Mr. Iqbal that I was required to notify the Commission 30 days after the change. This was an oversight on my behalf and I sincerely apology for my ignorance on PUC 2003.04 (j). As a result, I respectfully request a waiver for the rule on the notification. It will not happen again.

Sincerely,

A handwritten signature in black ink, appearing to read "Tad A. Dziemian", written over a large, stylized circular scribble.
