Re: DE 10-191, Evolution Markets Certification Application for Class III  
Eligibility of the Four Hills Landfill Methane Gas Facilities Pursuant to  
RSA 362-F on behalf of Fortistar Methane Group, LLC  
Request for Additional Information

Dear Ms. Ranade:

On July 26, 2010, Evolution Markets submitted an application on behalf of Fortistar Methane Group, LLC requesting that the Commission grant approval of the two Four Hills landfill methane gas facilities (Four Hills facilities) to produce Class III renewable energy certificates (RECs) pursuant to RSA 362-F, New Hampshire's Electric Renewable Portfolio Standard law. Staff has reviewed your application and has noted the following items that must be addressed before your application is considered complete:

- 1.) Please provide a copy of the separate operating agreement for the interconnection and purchase of the net electrical output from the 820 kW unit, as referenced in the operating agreement for the 2,285 kW unit.
- 2.) Please provide a copy of the facilities' current Title V Operating Permit.

These items must be received by the Commission to complete your application. Until such time as your application is complete, it will not be processed. If the requested documentation is not provided within ten business days, your file will be closed without prejudice. Please refer to docket number DE 10-191 in all future correspondence with

the Commission. Should you have any questions, please do not hesitate to contact me. My phone number is 603-271-2431 and my e-mail is [maureen.reno@puc.nh.gov](mailto:maureen.reno@puc.nh.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Maureen L. Reno". The signature is fluid and cursive, with the first name "Maureen" being more prominent than the last name "Reno".
