Staff has reviewed the application provided and believes that it meets the requirements of Puc 2003.04. Based on Staff's recommendation and the Commission's review, the Commission approves Fawcett Energy Partners, Inc.'s application to provide electric aggregation service in New Hampshire.

Please note the following provision of current Puc 2003.05 (a): "Each approved aggregator shall re-notify the commission after the initial 2 year period, or after the 5 year renewal period as applicable, by filing with the commission an application for renewal at least 60 days prior to the expiration of the currently effective registration. If an aggregator fails to meet its re-filing obligation, the original registration shall expire by its terms." Fawcett Energy Partners, Inc.'s original completed notice anniversary date is **September 30, 2010** and therefore it is required to refile an up-to-date written notice on or before **August 1, 2012** if it continues to offer and provide electric aggregation service. If you have any questions regarding these provisions, please contact the Commission. Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read "Debra A. Howland".
