To the Commission:

As advised by Commission Staff on September 22, 2015, EnerNOC, Inc. ("EnerNOC"), on behalf of its wholly owned subsidiary, World Energy Solutions, Inc. ("World Energy"), withdraws its Notice of Withdrawal of World Energy Registration as a Natural Gas Aggregator.

It is the intention of World Energy to merge with and into EnerNOC on or about January 1, 2016 with EnerNOC remaining as the surviving entity. As a result of the merger, all World Energy customers will become customers of EnerNOC without any further action of such customers. Prior to the effective date of the World Energy merger, EnerNOC intends to notify the Commission that World Energy will cease to exist as a result of the merger.

Please contact me if the Commission requires any additional information.

Sincerely,
