Re: Conditional Approval Confirmation of Final Proposal 2011-113

Dear Commission Members:

At its meeting on February 17, 2012, the Joint Legislative Committee on Administrative Rules (Committee) voted, pursuant to RSA 541-A:13, V(a), to conditionally approve Final Proposal 2011-113 of the Public Utilities Commission (Commission), containing Organizational Rules and Rules of Practice and Procedure. The Committee's approval was conditioned on amending Final Proposal 2011-113 as specified in the Commission's conditional approval request dated February 16, 2012.

On March 19, 2012, our office received your written response indicating how Final Proposal 2011-113 was amended in accordance with the conditional approval. We have reviewed the text of the rules in your explanation pursuant to RSA 541-A:13, V(a), and the additional editorial changes made to the final proposal. Since the editorial changes do not appear to affect the substance of the conditional approval, we have determined that the final proposal has been amended in accordance with the conditional approval and RSA 541-A:13, V(a). Therefore, you may now adopt and file the rules in Final Proposal 2011-113, as amended.

If you have any questions concerning the provisions in RSA 541-A relative to responses or adoptions, please call Scott Eaton at 271-3680.

Very truly yours,
