Fiscal Year 2011 (April 1, 2010 – March 31, 2011) Reliability Enhancement
Plan and Vegetation Management Plan Report and Reconciliation Filing**

Dear Ms. Howland:

On May 13, 2011, Granite State Electric Company, Inc. d/b/a National Grid filed with the Commission its Fiscal Year 2011 Reliability Enhancement Plan and Vegetation Management Plan Report and Reconciliation Filing. That filing included the Testimony of David E. Tufts with related schedules. Schedule DET-1 inadvertently was missing the last two pages. I enclose for filing with the Commission seven copies of the complete Schedule DET-1 which are Bates numbered 47A, 47B and 47C and which should be incorporated into the Company's May 13 filing.

In addition, I am writing to inform the Commission that William R. Richer will be adopting the testimony of David Tufts. I will be submitting supplemental testimony of Mr. Richer that details his education and professional background but will not otherwise alter the substance of Mr. Tufts' testimony.
