Re: DT 11-131, Dixville Telephone Company Tariff Revision
Reduction to Originating and Terminating CCL Rate to \$0.000

Dear Ms. Walsh:

On June 8, 2011, Dixville Telephone Company (Dixville) filed a revision to its NHPUC Tariff No. 3 that effectively decreases its access rates by reducing the charge for originating and terminating carrier common line (CCL) to \$0.000000. The proposed tariff is scheduled to become effective July 16, 2011.

Staff has examined the filing and recommended its approval. The Commission accepted Staffs analysis and recommendation.

For administrative efficiency, an order will not be issued by the Commission suspending, rejecting, or approving the proposed tariff changes. Pursuant to RSA 378:3 and RSA 378:6, IV, the proposed revisions are effective as filed. Tariff pages should be filed referencing Docket No. DT 11-131 and reflecting the effective date of July 16, 2011.

For administrative efficiency, the Commission will not issue an order suspending, rejecting, or approving the proposed tariff.

Sincerely,

A handwritten signature in blue ink that reads "Debra A. Howland".
