Re: Transmission Cost Adjustment Mechanism
Docket No. DE 11-133

Dear Ms. Howland:

Enclosed please find seven copies of the testimony and attachments of Robert A. Baumann containing a sample calculation of the average Transmission Cost Adjustment Mechanism rate to be applied on and after July 1, 2011. PSNH currently estimates that there will be a decrease in the average rate from the current 1.501 cents/kWh to 1.189 cents per kilowatt-hour. PSNH is also filing herewith testimony and attachments prepared by Stephen R. Hall which contain calculations of the actual charges for each class.

PSNH understands that the hearing on this proceeding will be conducted in the afternoon of June 23, 2011. An Order of Notice is scheduled to be published in the *New Hampshire Union Leader* on June 15, 2011. Copies of this filing have been provided to the persons on the attached service list pursuant to Puc §203.02 and Puc §203.11 .

Very truly yours,

Gerald M. Eaton
Senior Counsel
