RE: WAIVER OF RULES - VIRIDIAN ENERGY MD LLC APPLICATION FOR LICENSE AS A COMPETITIVE ELECTRIC POWER SUPPLIER

Per N.H. Code Admin. Rules Puc 201.05, we are requesting a Waiver of Rules as they pertain to Puc 2003.03(a)(5). Specifically, Puc 2003.03(a)(5) requires Competitive Electric Power Supplier's to submit financial surety with an expiration date of not less than 5 years and 150 days after the date the application is filed. We are respectfully requesting to submit financial surety with an expiration date of 1 year after the date the application is filed.

We are requesting this waiver due to the fact that the bonding company providing of our financial surety will not issue a bond with an expiration of more than 1 year from issuance.

We propose to renew our registration annually, in accordance with the timing of the expiration of our bond, and per Puc 2003.02.

We greatly appreciate your consideration in the above matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Rafi Jacobs".
