Notice of Name Change - Supplemental**

Dear Executive Director:

On April 10, 2015, Integrys Energy Services, Inc. ("Licensee") submitted a letter regarding notice to the New Hampshire Public Utilities Commission ("Commission") that Licensee changed its name to Constellation Energy Services, Inc. effective April 1, 2015. Enclosed is the amended Certificate of Authority from the State of New Hampshire Department of State.

Licensee kindly requests the Commission to send a letter acknowledging receipt of the notice with our new name as soon as possible as some utilities will not move forward with implementing a name change without such letter.

Should you have any questions or need further information, please contact Amy Klaviter at 312-681-1855 or amy.klaviter@constellation.com.

Very Truly Yours,
