Investigation into Excess Capacity  
Staff Testimony

Dear Ms. Howland:

On September 28, 2012, Staff filed the testimony of Mr. George R. McCluskey. It filed a redacted version that did not comply with the Commission's filing requirements. Thus, I am writing today, to re-file the testimony, in the correct format with both a redacted public version and a confidential version. No substantive changes have been made to the testimony. The confidential information contained within the testimony was supplied by the Company as an attachment to Staff discovery request Staff 1-3. Pursuant to Puc 203.08(d), Staff is obligated to treat the information as confidential until such time as the Company files a motion for confidential treatment and the Commission rules on that motion.

The testimony is being provided to the service list electronically. Normally, Staff distributes the confidential version only to the Company and OCA and not to the entire service list unless parties have signed a non-disclosure agreement with the Company. In this situation, however, the service list is comprised of the Company, its counsel, OCA, and Staff. Thus, since there are no other parties, the confidential version as well as the redacted version is being supplied to the entire service list. Thank you in advance for your assistance with this filing. Staff apologizes for any inconvenience this filing may have caused.

Sincerely,

A handwritten signature in blue ink that reads "Marcia A. B. Thunberg".
