Re: DG 06-___, KeySpan Energy Delivery New England
2006 Integrated Resource Plan

Dear Ms. Howland:

In accordance with the settlement in DG 04-133/DG04-175, KeySpan's 2006 Integrated Resource Plan (IRP) is due to be filed on August 1, 2006. In order to correct an analytical oversight that was identified as the IRP document was being finalized, KeySpan is requesting an extension until August 7, 2006 for filing its IRP. KeySpan has contacted the Commission staff, which has consented to this extension.

Sincerely,

Steven V. Camerino
