Re: DE 10-212, Commercial and Industrial Solar Rebate Program
Scheduling Public Comment Hearing and Setting Deadline for Written Comments

To Interested Stakeholders:

On January 8, 2020, Commission Staff filed a recommendation for modifications to the commercial and industrial solar incentive program (Program), in which it recommended that the Commission schedule a public comment hearing and then provide interested stakeholders with an opportunity to file written comments addressing the recommended Program modifications.

Accordingly, the Commission has scheduled a public comment hearing on Thursday, January 30, 2020, at 10:00 a.m. The Commission will also afford interested stakeholders an opportunity to file written comments addressing the recommended Program modifications on or before Friday, February 7, 2020.

Sincerely,
