3. How did you come to own Lakeland Management Company, Inc.?

All of the stock of Lakeland Management Company, Inc. was owned by Wade Crawshaw. Just prior to his death in 2011, Wade Crawshaw transferred all of the stock of the Company to me.

4. What is your experience with public water systems?

Through C&C Water Services, Inc. I took care of the non-technical aspects of the running of Lakeland Management Company, Inc. and White Rock Water Company, Inc., including the billing and collecting function, since those companies were acquired by Wade Crawshaw.

5. As a result of the transfer of ownership, have there been any changes in the organization and management of the Company?

Other than I becoming the sole shareholder, director and president of the Company, there have been no changes. The name of the company has not been changed. Operations will remain with C&C Water Services, Inc. My administrative activities will be assisted by the Company's accountant, Stephen St. Cyr, and attorney, David Jordan. (Of course, the Company reserves the right to change any of those vendors as deemed appropriate.)

6. Will this transfer have any effect on customer water or sewer rates?

The transfer will not cause any change in customer water or sewer rates.

The Company does not now anticipate entering into any additional contracts.

8. Will the transfer in ownership result in any changes with respect to employees?

No.

9. What will be the customer contact information after the ownership transfer?

All telephone numbers and addresses will remain the same. As before, Theresa Crawshaw, can be reached at P.O. Box 7394, Gilford, NH 03247.
