July 9, 2012

Debra Howland, Executive Director
New Hampshire Public Utilities Commission
21 South Fruit Street, Suite 10
Concord, N.H. 03301-2429

Subject: Registration of Tech Valley Communications as a New Hampshire Competitive Local Exchange Carrier and Competitive Toll Provider

Dear Ms. Howland:

Attached are the required forms for registration as a competitive local exchange provider (CLEC) and competitive toll provider (CTP) submitted by TVC Albany, Inc. d/b/a/ Tech Valley Communications (TVC) pursuant to New Hampshire Administrative Rules Puc Part 400.

As part of its registration as a CLEC, TVC requests a waiver of NH Admin Rule Puc 431.04 regarding Surety Bond. In support of its request, TVC states that it requires no retail customer deposits and does not engage in advance billing of utility services.

If this matter is to be docketed, please include Greg Sichak and myself to the service list. Mr. Sichak's contact information is:

Greg Sichak
Assistant Controller
Tech Valley Communications
87 State St.
Albany, NY 12207
518 598-0900

Sincerely,

A handwritten signature in black ink, appearing to read "Kath Mullholand".

TVC Albany, Inc. d/b/a Tech Valley Communications

Rate Schedule

Effective July 15, 2012

Service

Rate

Pole Attachments

Pole Attachments shall be as defined by the Federal Communications Commission.

Standard interval for pole attachment work is 45 days for requests of 10 moves or fewer and 60 days for requests of more than 10 moves.

Reservation of Rights Invoice of charges and receipt of payment for charges in this section shall not be construed as an abrogation of any rights or remedies TVC may have under applicable laws, statutes, codes or rules regarding pole attachments.

Interest and surcharges apply to all reimbursable costs invoiced pursuant to this rate sheet.

Interest

Simple interest at the rate authorized by Puc 1203.03 and Puc 1304.08 for the period beginning on the date that a cost was invoiced to TVC and ending on the date that TVC invoices the cost to the pole owner.

Overhead and Administrative Surcharge

Charges for Overhead and Administration apply. When invoiced pursuant to an agreement, such charges shall be at a rate not to exceed the rate at which fully allocated overhead and administrative surcharges are assessed by the other party to TVC. In the absence of an agreement or reciprocal charge proxy, TVC's Overhead and Administrative Fees apply; see Billing and Collections herein.

Record Production

Time and materials charges apply; see Labor and Materials herein.

Moves and Transfers

Pole attachment move and transfer charges are payable by the cost-causing party and includes Make-Ready Work as defined by PUC 1302.07. Unit prices are assessed per pole for transfers and moves made at the request of an incumbent pole owner on behalf of third-party attachers or property owners, or in response to damage caused by unforeseen events such as structure fires or motor vehicle accidents. Direct requests from third-party attachers will be accepted by mutual agreement and may be refused at TVC's discretion absent the approval of the pole owner.

NHPUC Section 1300 Charges

Charges are pursuant to NH Code of Admin. Rules Puc 1300, et seq. (Pole Attachments)

One-Time Charges

NH Admin Rule Puc 1303.06 (Lowest Attacher)

Puc 1303.06 allows a Pole Owner to retain the lowest point of attachment, paying a percentage of the costs. Charges apply when TVC incurs fees or costs pursuant to a Pole Owner's decision to retain the lowest point of attachment.

Time and materials charges may apply; see Labor and Materials herein.

Reimbursable Cost

Calculation: 60% (or the current rate specified in Puc 1303.06) of all charges incurred by TVC from all sources pursuant to this section.

Overhead and Administrative Fees apply; see Billing and Collections herein.

Compensable Expense

Calculation: 60% (or the current rate specified in Puc 1303.06) of fully allocated cost.

NH Admin Rule Puc 1303.07(c) (Code Compliance)

Puc 1303.07(c) prohibits Pole Owners from shifting the costs of bringing a pole or existing attachment into compliance with codes.

Charges apply when TVC incurs fees or costs to remedy a non-compliant pole or attachment pursuant to Puc 1303.07(a)&(b).

Time and materials charges may apply; see Labor and Materials herein.

Reimbursable Cost Fully Allocated Cost

Overhead and Administrative Fees apply; see Billing and Collections herein.

Compensable Expense Fully Allocated Cost

NH Admin Rule Puc 1303.10 (Boxing)

Puc 1303.10 allows attachers to box poles under certain circumstances.

Charges are for costs incurred by TVC resulting from failures under this section.

Charges apply when TVC makes a formal request to utilize boxing pursuant to the Rules, and the Pole Owner fails to comply with its obligations under this section.

Time and materials charges may apply; see Labor and Materials herein.

Reimbursable Cost Fully Allocated Cost

Overhead and Administrative Fees apply; see Billing and Collections herein.

Compensable Expense Fully Allocated Cost

Services are provided by TVC or its authorized partners. The rates listed herein are the maximum rates that may be applied and are exclusive of taxes, fees and regulatory surcharges. One-Time Charges

NH Admin Rule Puc 1303.11 (Extension Arms)

Puc 1303.11 allows attachers to use extension arms under certain circumstances.

Charges are for costs incurred by TVC resulting from failures under this section.

Charges apply when TVC makes a formal request to utilize extension arm(s) pursuant to the Rules, and the Pole Owner fails comply with its obligations under this section, causing TVC to incur costs.

Time and materials charges may apply; see Labor and Materials herein.

Reimbursable Cost Fully Allocated Cost

Overhead and Administrative Fees apply; see Billing and Collections herein.

Compensable Expense Fully Allocated Cost

Infringement

Charges apply where TVC maintains a valid license for attachment from one or more Pole Owner(s) and an attachment by any attaching entity is made within twelve (12) inches of TVC's facility at the pole site, or within six (6) inches at mid-span; where the attaching entity has not sought and obtained TVC permission for decreased separation pursuant to the National Electric Safety Code (NESC) and whatever other codes may be specified by the applicable utilities commission.

One-Time Charges

All one-time charges are per pole or linear foot of conduit, duct, or right of way, unless otherwise specified.

Field Inspection Administration Fee, per event\$ 250.00

Back Rent (per month)2.00

Back rent shall be calculated as the lesser of the first day of the month in which the attachment was made through the final day of the current month, or 36 months if the date of attachment cannot be determined.

Time and materials charges apply; see Labor and Materials herein.

Recurring Charges

All recurring charges are per pole or linear foot of conduit, duct, or right of way per month unless otherwise specified.
