SUBJECT: DM 12-217 Notice of Energy Professionals, LLC (Energy Professionals)'s intent to renew its registration as a provider of electric aggregation service; Staff Recommendation

TO: Debra Howland
Executive Director

On July 17, 2012, the Commission received Energy Professionals' notice of intent to renew its registration to provide electric aggregation service in the State of New Hampshire, pursuant to New Hampshire Administrative Rules Puc 2003.05. With its application Energy Professionals did not provide required application fee. Pursuant to Puc 2003.05(a), Energy Professionals' renewal application was due 60 days prior to the expiration date of July 27, 2012. On September 4, 2012, Energy Professionals requested a waiver of the rule. Considering the general confusion among aggregators regarding the adoption of a revised Puc 2000 on August 25, 2010, Staff recommends that the application be considered as a renewal for this instance only and that the Commission grant the waiver of Puc 2003.05(a). On October 15, 2012, Energy Professionals completed its application by providing the application fee.

The application has been reviewed and the Company has complied with the requirements of Puc 2006.02. Staff recommends that Energy Professionals' application to renew its registration as a provider of electric aggregation service in New Hampshire be approved.
