**Re: DG 13-___; Summer 2013 Cost of Gas
EnergyNorth Natural Gas, Inc. d/b/a Liberty Utilities**

Dear Ms. Howland:

I enclose for filing one redacted and seven confidential copies of EnergyNorth Natural Gas, Inc. d/b/a Liberty Utilities' Summer 2013 Cost of Gas filing. Certain schedules included in the Cost of Gas contain confidential information, specifically, costs associated with the summary of supply and demand forecast, contacts ranked on a per-unit cost basis, adjustments to gas costs, details of demand costs per unit, details of demand rates per unit, details of commodity costs per unit and hedged contacts (including pricing terms). The Company requests confidential treatment of these materials pursuant to Puc 201.04(a)(5), 201.06(a)(26) and 201.07, which collectively afford confidential treatment of such materials in routine Cost of Gas proceedings. I also enclose two CD-ROMs, one of which contains the redacted schedules and the other the confidential schedules. These were too large to transmit electronically.

Thank you for your assistance with this matter. If you have any questions, please do not hesitate to contact me.

Very truly yours,

A handwritten signature in black ink that reads "Sarah B. Knowlton".
