Re: Request for Waiver of NeuStar's Denials of Numbering Resources

Dear Ms. Howland:

Northern New England Telephone Operations LLC d/b/a FairPoint Communications – NNE ("FairPoint") hereby files a Petition to overturn recent Neustar numbering denials.

Due to the voluminous nature of this filing, I have omitted the additional six paper copies required by Rule Puc 203.02(a)(1) and respectfully request a waiver of that particular requirement in the interest of efficiency and conservation. Should the Public Utilities Commission determine that these additional copies are necessary, please let me know, and I will be pleased to provide them.

Sincerely,

A handwritten signature in black ink, appearing to read "R. P. Taylor", with a large, stylized flourish at the end.
