Iberdrola USA Enterprises, Inc.'s Petition to Intervene

Iberdrola USA Enterprises, Inc. ("Iberdrola"), in accordance with RSA 541-A:32 and NH Code Admin. Rule Puc 203.17, hereby petitions the New Hampshire Public Utilities Commission (the "Commission") for intervention in the above-captioned rate case of Liberty Utilities (EnergyNorth Natural Gas) Corp. ("Liberty"). In support of its petition, Iberdrola states as follows:

1. In Joint Testimony submitted by Steven E. Mullen and Howard S. Gorman in this proceeding on August 1, 2014, Liberty indicated that it may update its request in this Docket to include proposed rates for New Hampshire Gas Corporation's ("NHGC") customers in Keene that would take effect after the closing of the transaction that is currently before the commission in Docket No. DG 14-155 (the "Closing"). *See* Docket No. DG 14-180, Direct Testimony of S. Mullen and H. Gorman at p. 27, lines 6-9.
2. As Iberdrola is currently the owner of NHGC, its rights, duties, privileges, immunities and other substantial interests with respect to NHGC may be affected until the Closing.
3. Iberdrola's intervention will not impair the interests of justice and the orderly and prompt conduct of the proceedings in this docket.

WHEREFORE, Iberdrola respectfully requests that the Commission:

- A. Grant this Petition to Intervene;
- B. Grant such other relief as is just and equitable.

Respectfully Submitted,
