OCA Data Requests, Set 2

Date Request Received: 8/15/14
Request No. OCA 2-11

Date of Response: 8/29/14
Respondent: Stephen R. Hall

REQUEST:

Reference response to OCA 1-11 and Testimony of Mullen and Gorman (in DG 14-180, on permanent rates), Bates p. 106, lines 16-18, "Finally, EnergyNorth has requested approval to acquire New Hampshire Gas Corporation (Docket No. DG 14-155) and may update the request in this docket to include proposed rates for those customers in Keene that would take effect after the closing of the transaction." Is this testimony the placeholder for the rate plan filing referenced in OCA 1-11?

RESPONSE:

No rate plan has been finalized, as noted in the response to OCA 1-15. The testimony referenced above is intended only to indicate that EnergyNorth may submit an update to its request in Docket No. DG 14-180. It has not committed to do so, and EnergyNorth has not made any rate filing to change the rates applicable to NHGC customers.
