RE: DE 14-238 Public Service of New Hampshire (PSNH)
Determination Regarding PSNHs Generation Assets

Dear Ms. Howland:

The Franklin Pierce Lake Association understands that above referenced matter includes the dam and hydro generating assets at the end of Franklin Pierce Lake. The dam controls the water level of the lake and we are very interested in being added to the service list in order that we may be kept apprised of the divestiture process.

Please add our Ann Gilbert, as a board member of the Franklin Pierce Lake Association, to the service list. If permitted, please also if include the FPLA on the distribution list for any Memoranda or Staff Recommendations filed in this docket.

Respectfully,

Ann L. Gilbert
