Determination Regarding PSNH's Generation Assets

Petition to Intervene on Behalf of Michael Harrington who resides at 82 Garland Rd,  
Strafford New Hampshire

Michael Harrington respectfully petitions the New Hampshire Public Utilities Commission ("Commission") for leave to intervene as a full party in the above-captioned proceeding under Rule Puc 203.17 and RSA 541-A:32. In support of this petition, he represents that:

1. On 6/26/2015 the Commission issued a Supplemental Order of Notice in the above-captioned docket.
2. In that Supplemental Order of Notice the Commission set a prehearing conference for 7/9/2015 and established a deadline of 7/7/2015 for the submission of petitions to intervene.
3. Michael Harrington is a resident in Eversource's franchise area and as such is a distribution customer of Eversource having no other source of electricity.
4. Michael Harrington's rights, duties, privileges or substantial interests as a distribution customer of Eversource may be affected by the proceeding given the scope of the issues identified in the Supplemental Order of Notice. Michael Harrington believes he must intervene in this proceeding to protect these rights especially since the Office of the Consumer Advocate has already signed on to the 2015 PSNH Restructuring and Rate Stabilization Agreement filed with the Commission on 6/10/2015. Granting this petition for intervention would be in the interest of justice and would not impair the orderly and prompt conduct of the proceedings.
5. The Commission has discretion pursuant to RSA 541-A:32,II to allow requests for intervention. Because Michael Harrington is a distribution customer whose rights would otherwise not be represented, he respectfully requests that the Commission grant him full intervenor status in the proceeding or grant such other relief as the Commission deems just and equitable.

Respectfully submitted,

Michael Harrington
