Re: Docket No. DE 14-238, Determination Regarding PSNH's Generation Assets
Record Request by REMI Witness Billy Leung Exhibit AAA

Dear Ms. Howland:

We enclose for filing one original and six copies of the additional REMI data run to show the cost savings across various industry sectors. This data is based upon the REMI model run using the savings from the Brattle analysis. It is the additional detail of Exhibit Y that was presented at hearing on Wednesday, February 3, 2016. The data is supplied in response to a record request and is to be designated as hearing Exhibit AAA.

Thank for your consideration. Please let me know if you have any questions.

Very truly yours,
